NEW ITEM

SCHOLARSHIP NEED UNCOVERED –

Sally Moffitt

It was brought to the attention of this group that many Hendersonville High School students who will earn their degrees this spring may not have the opportunity to continue their education due to unemployment and the impact of the national economy on their families.

We would like to encourage all of our classmates to do what they can to contribute to a Scholarship fund for the Class of 2009. More details to follow.

HHS Alumni Association –

We will take this opportunity to encourage our classmates to sign up at www.hhsaa.com and to participate in the Alumni Association.

Our Reunion Plans will get posted to the HHS Alumni site as soon as possible.

Locating People

We will circulate the currently available contact information in an excel file to gather updated information from everyone's personal records. We hope to communicate primarily by e-mail and through the website to locate, poll, and inform classmates about the reunion.

These notes may not be complete, so if there was an important topic overlooked here, please let me know and we can add. These minutes will get posted to the website for others to review. We look forward to including many more "local" classmates in future planning meetings. We anticipate getting together again in late March.
